

# Your community, your place.

Tēnā koutou katoa

Happy New Year, all! I hope you had a wonderful holiday period and were able to catch up with family and friends to enjoy some great food and good company. The weather recently has not been favourable to getting out and about, unfortunately; our thoughts are with those around the country who have experienced the significant impact of the devastating flooding and landslips that have occurred.

We still have another month of summertime to look forward to, however, so hopefully things will improve on the weather front.

In this edition, we take a look at a few more of the many village Christmas parties and get-togethers that took place last month. The lead-up to the festive season is always a lovely time for connecting with neighbours, Haumaru staff and members of the local community, and I know our Community Managers particularly enjoy the opportunity to celebrate this special time of year with tenants. Thank you for all your contribution to the Christmas events and for your help in making them fun and memorable for all.

With the start of the new year, work has commenced on our 42-unit Godley Road development in Green Bay. Also we anticipate many more new service initiatives and tenant-focussed activities as we go forward in our mission to be the leading provider of affordable rental housing for older people in New Zealand.

Until next time, enjoy the rest of the summer.

## Learning together at Greenslade Court

Something special is happening at Northcote's Greenslade Court, thanks to tenant Patricia Taunga who's generously offering free English lessons to fellow villagers. Around eight tenants currently attend the classes which are relaxed and joyful – and sometimes even include singing together! The sessions are already making a real difference, with participants speaking much more confidently, having a better understanding of English, and being more involved in activities within the village.

Patricia brings a wealth of experience to the classroom. She holds a Trinity College Certificate in Teaching English (ESL) and has taught English for 20 years in Hungary, Ireland and China. Prior to that, she completed a Diploma in Counselling and is also a Justice of the Peace and is always happy to assist tenants when needed.

This is an amazing service that Patricia offers simply out of kindness and a desire to help others. She's happy to open it up to any other Haumaru tenants on the North Shore who would like to join. Anyone interested in taking part can contact Greenslade Court Community Manager Trudi who will put them in touch with Patricia (or you can phone the Helpdesk).

Thank you, Patricia, for gifting your time, skills and energies to support your fellow tenants and contribute to the wonderful sense of community at our newest village.

# Christmas parties revisited

Dale Court tenants in Pakuranga enjoyed their Christmas gathering under sunny skies.

Tenants of Court Town (Mangere) also celebrated under blue skies.

Residents at six-unit Tane Street Village (New Lynn) organised their first ever village Christmas party which was greatly enjoyed by all.

Lot of 'eats' at Topping Court (Mangere East)

...and also at Bridge Court (Mangere Bridge).

The party at Inverall Court (Wir) was a joint collaboration with Rawiri Trust who also brought along some lovely Christmas gifts for tenants.

Leabank Court (Manurewa) tenants had Santa also join in the fun.

Greenslade Court (Northcote) enjoyed a festive ukulele sing-a-long.

Tenants of Papakura's Marne Road North & South and Coles Crescent villages celebrated together, with the BBQ trailer proving a 'hit' and an informative presentation by ADT security services provider.

## Remember your SuperGold card this summer
